| Event title | Date of engagement | Description | Target audience | Purpose | Number of participants | Top 3–5 key themes or takeaways | Notable quotes or stories |
|---|---|---|---|---|---|---|---|
| Envision Health Syphillis Testing | 4-Sep-26 | Joining or facilitating planned workshops, community pop-up events, or town halls | those involved or in rec | To gain perspective from those involved or in substance abuse recovery and those who work in or utilize harm reduction. | 35 | Transportation is needed<br>Activities are needed | No notable quotes from engagement |
| Cold calling | 7-Sep-26 | Cold Calling people I know | Busy Families/Multigenerational Households | To gain perspective from areas where public engagement is often not held due to lack of community hubs in those areas. | 21 | There are a lot of efforts in our community but it's like a puzzle trying to find them.<br>Families with kids often don't have time for events.<br>Affordable housing is needed. | |
| Connecting with residents | 8-Sep-26 | Joining a monthly meeting and presenting materials to participants | Veterans | To gain the perspective of the veteran community. | 15 | They would like to see more support for veteran community. This was pretty much the only theme.<br>Some understand how their status impedes being able to apply for funding; others do not or will understand. | |
| QAF Salon | 10-Sep-26 | Joining or facilitating planned workshops, community pop-up events, or town halls | LGBTQIA+ community | Engage the phase 2 materials with the LGBTQIA+ community of MHC. | 20 | Mostly white 18-30 queer and trans community members. | |
| Connecting with residents | 11-Sep-26 | Dedicating time at personal or work-related meetings to share information and gather input | Volunteers | To gain perspective from active volunteers. | 8 | Jobs that have better pay scales and more opportunities for growth.<br>Public transit is. Needed for many of the folks these volunteers work with.<br>Not just at this event, but at several now I see a pattern that people are not familiar with traffic calming. I find the best explanation to be Kings Mtn Road around 5 when the industrial parks get off. To me this suggests that many do not have to deal with congested roadways in our area. | Nothing notable. There was some good discussion about all the different businesses of the past that people worked at. Apparently everyone in this group worked at some kind of buffet restaurant in the past. |
